Osaka, October 24, 2024 - Peach Aviation Ltd. (hereafter referred to as Peach; CEO: Kazunari Ohashi) announced that Peach has begun recruitment for general staff positions (with passenger handling experience) for the 2025 fiscal year. This is in line with Peach's transition of passenger handling operations at its main base, Kansai Airport, from the previous outsourcing system to an in-house system starting in July 2025.

With this change to an in-house system for passenger handling operations at Kansai Airport, Peach aims to establish a framework that allows us to provide better service from passenger handling at the airport, the first point of contact for customers, all the way to their final destination, facilitating further growth.

After joining the company, you will be responsible for passenger handling operations, such as check-in at the airport counter and boarding assistance at the gate. Moreover, as a general staff member, you will have the opportunity to engage in other airline business operations in addition to passenger handling in the future, allowing you to contribute across a wide range of fields at Peach.

Entry deadline is November 20, 2024 at 11:59 p.m.
Please refer to Peach's website for more details.

We are looking for enthusiastic applicants who can provide customer-centric service while maintaining safe operations and are ready to take on challenges and enjoy change alongside their colleagues as members of Peach.
