  - Expanding new possibilities for travel to Japan with this highly convenient and flexible product

**Osaka, October 1, 2024** Peach Aviation Limited (hereinafter referred to as “Peach”, CEO: Kazunari Ohashi) will begin selling the Peach Japan Discovery Flight Pass, a coupon ticket that can be used on all 23 domestic routes in Japan, on October 1. This product is for customers residing outside of Japan. Sales will be limited to a total of 500 tickets per month from October 1, 2024 to February 19, 2025, for flights taken from October 27, 2024 to March 19, 2025\*<sup>1</sup>.

Two types of plans are offered: 4 segments within 7 days plan (¥49,800) and 6 segments within 30 days plan (¥90,000).

Checked baggage and seat selection fees are included with both plans, as well as any fees and taxes required for domestic flight reservations. You can use this service stress-free without having to worry about additional fees. Flights can be booked and cancelled up to one hour prior to scheduled departure, allowing for flexible travel planning suited to your own schedule. Please note that this product can also be purchased after arrival in Japan.

The service covers 23 routes in Japan, from Hokkaido to Okinawa, allowing passengers to customize their trip according to their purpose and length of stay. With this convenient and flexible product, we invite you to embark on your own personalized tour of Japan, experiencing the diverse nature, landscapes, local culture, and cuisine that Japan has to offer from north to south.

Moving forward, Peach will continue to provide easy and comfortable transportation and travel plans as a familiar airline connecting countries and regions, pursuing fundamental quality with

safe operations as our top priority. We will continue to expand new possibilities for travel in Japan as well.  
Please check below table or special web page for details.

**<Special Notes>**

- The price is per Flight Pass (including tax).
- You need to register your Peach account to purchase and use the Flight Pass.
- The number of passes sold is limited and will end when sold out.
- Flight Pass reservations can only be made through the respective dedicated websites.
- Because of system specifications, when booking tickets with the Flight Pass, fares, taxes, and airport usage fees will be displayed on the booking screen, but these payments are not required. (since they are included in the price of the Flight Pass and the sum total will be deducted on the final confirmation screen). Also, the displayed fare differs from the general sales fare amount.
- The Flight Pass can be used only by the persons who registered their names when purchasing it. Be sure to bring your passport during your trip. Always present your passport for identity verification when requested.
- When a person other than the person who registered the name uses the Flight Pass, the Flight Pass and all existing reservations become invalid and the Flight Pass, the paid optional service charges, and other fees paid in relation to the use of the Flight Pass will not be refunded.
- If you do not follow instructions in the notes, we may suspend the use of the Flight Pass without notice.
- Please check the special web page for details.
- The price is subject to change without notice.
- The sale of Flight Passes may end without notice.
- Flight Passes have been created on the condition that permits from the relevant authorities are obtained.

**About Peach ([www.flypeach.com/sq](http://www.flypeach.com/sq))**

Peach is based at seven airports, New Chitose, Sendai, Narita, Chubu, Kansai, Fukuoka, and Naha, and operates 23 domestic routes and 12 international routes with 36 aircraft.

With the addition of the Singapore-Osaka (Kansai) route which will officially start operating on Dec 5, 2024, Peach will have 13 international routes. Peach will pursue basic quality with safety as its top priority and aim to become an airline loved by more customers.
